Through General Woodford.

REQUEST PROMPTLY REFUSED.

His Duties Satisfactorily.

DONS ALSO OPPOSED TO WAR VES-  
SELS CARRYING RELIEF.

Washington Government Informs the  
Madrid Authorities That It Will Not

Vessels Are Not Fighting Ships—War-  
like Measures Being Discussed in Hav-  
ana—Madrid Press Very Angry About  
Lee—Senator Proctor Indignant at  
What He Has Seen in Cuba.

Madrid, March 7.—Senor Gallon,  
Spanish minister of foreign affairs, re-  
cently intimated to United States Minis-  
ter Woodford that the Spanish govern-  
ment desired the recall from Havana of  
Consul General Lee and that the Ameri-  
can warships which have been designat-  
ed to convey supplies to Cuba for the  
relief of the sufferers there should be  
replaced by merchant vessels in order

CONSUL GEN. LEE.

to deprive the assistance sent to the re-  
concentrations of an official character.

Minister Woodford cabled the re-  
quests to the Washington government  
which replied refusing to recall General  
Lee in the present circumstances or to  
countermand the orders for the dispatch  
the war vessels, making the representa-  
tion that the relief vessels are not fight-  
ing ships.

LEE SATISFACTORY.

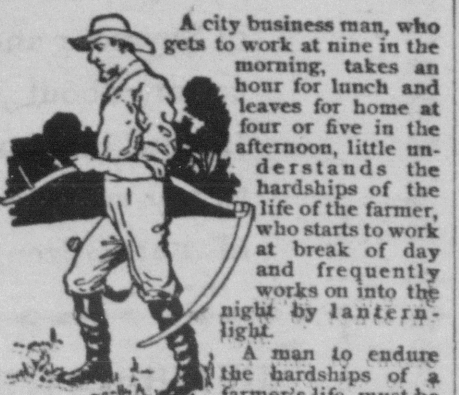

President Will Not Consider His Recall.  
Supplies by Navy Vessel.

Washington, March 7.—The State  
Department last night authorized the  
following statement:

"The President will not consider the  
recall of General Lee. He has borne  
himself throughout this crisis with  
judgment, fidelity and courage, and to  
the President's entire satisfaction.

"As to the supplies for the relief of  
the Cuban people, all arrangements  
have been made to carry a consignment  
this week from Key West, by one of the  
naval vessels, whichever may be best  
adapted and most available for the pur-  
pose, to Matanzas and Sagua."

Although the officials here are non-  
committal on the subject, it is believed  
that the request for General Lee's re-  
call was made at least a day or two ago,  
and that the Spanish government, after  
receiving the reply of the State Depart-  
ment, has not insisted either upon Lee's  
recall or upon its contention that the  
relief supplies should not be sent to  
Cuba in naval vessels.

A city business man, who  
gets to work at nine in the  
morning, takes an  
hour for lunch and  
leaves for home at  
four or five in the  
afternoon, little un-  
derstands the  
hardships of the  
life of the farmer,  
who starts to work  
at break of day and  
frequently works on  
into the night by lantern  
light.

A man to endure  
the hardships of a  
farmer's life, must be  
robust physically at the outset, and if he  
could lead a long life, always keep a watch-  
ful eye upon his health. He should re-  
member that it is the apparently trifling  
disorders that eventually make the big dis-  
ease. It does not do for a hard working  
man to neglect bilious attacks or spells of  
indigestion. If he does, he will soon find  
himself flat on his back with malaria or  
crippled with rheumatism. Dr. Pierce's  
Golden Medical Discovery is the best of all  
medicines for hard working men and wo-  
men. It makes the appetite keen and  
heart, the digestion perfect, the liver ac-  
tive, the blood pure and rich with the life-  
giving elements of the food, and the nerves  
strong and steady. It builds firm muscles  
and solid flesh. It is the greatest of all  
blood-makers and purifiers. It cures mal-  
aria troubles and rheumatism. It is an un-  
failing cure for biliousness and indigestion.  
An honest dealer will not try to substitute  
some inferior preparation for the sake of a  
little additional profit.

"I was a sufferer for four years with malaria  
fever and chills," writes Robert Williams,  
of Kiowa, Barber Co., Kan. "Four bottles of Dr.  
Pierce's Golden Medical Discovery cured me  
and I now weigh 160 pounds instead of 130, my  
old weight."

Costiveness, constipation and torpidity of  
the liver are surely, speedily and perma-  
nently cured by Dr. Pierce's Pleasant Pel-  
lets. They are tiny, sugar-coated granules.  
One little Pellet is a gentle laxative, and  
two a mild cathartic. They never gripe or  
irritate. They stimulate and strengthen the  
organs until a regular habit is formed and may  
then be discontinued without a return of  
the trouble. They stimulate, invigorate  
and regulate the stomach, liver and bowels.  
Medicine stores sell them, and have no  
other pills that are "just as good."

MINISTER WOODFORD.

The request for General Lee's recall  
came through Minister Woodford, a  
somewhat unusual procedure, as the  
common mode of requesting the with-  
drawal of a minister or a consul is  
through the representative of the gov-  
ernment making the request, which in  
this case is Senor Du Bosc, the Spanish  
charge d'affaires. Mr. Du Bosc had re-  
ceived no instructions on the subject,  
and was in complete ignorance of the  
demands made through Minister  
Woodford. The other suggestion of  
the Spanish government—that relief  
supplies should not be sent in war ves-  
sels—did not come through Minister  
Woodford, as the Madrid dispatches  
state, but was presented by Senor Du  
Bosc to the state department last Fri-  
day.

The news concerning General Lee  
aroused the deepest interest, and no lit-  
tle excitement, throughout Washing-  
ton. In hotel corridors, at the clubs,  
and in all public places it was the ab-  
sorbing topic, and not since the Maine  
disaster was such widespread popular  
interest evinced in the Spanish situa-  
tion.

American Naval Officers and  
Discussing the Situation.

Havana via Key West, March 7.—As  
the conviction becomes settled that the  
court of inquiry will decide that there  
was a mine explosion under the Maine,  
discussion among American naval of-  
ficers and civilians here is prevalent as  
to the warlike measures which it is be-  
lieved the United States government  
will adopt in case the question of the  
payment of indemnity by Spain is over-  
ruled.

A majority believe that American  
troops will be landed at some point east  
of Havana and the insurgents commu-  
nicated with, that the Spanish soldiery  
will be defeated or captured in detail,  
and that in the meantime a fleet of  
United States vessels will blockade, if  
not bombard, Havana.

No one seems to doubt that the re-  
duction of this city would be compara-  
tively easy. Four 12-inch guns—two  
west and two east of the city—are the  
only ones that are considered danger-  
ous. These are not likely to be well  
served, while their emplacements are  
not modern.

That some Spaniards are of opinion  
that an attack on Havana will be made  
is believed to be shown by the abnormal  
activity displayed on board the Vizcaya.

There is the best naval authority for  
the statement that the Vizcaya is in a  
constant state of readiness for emergen-  
cies and that picketboats are on the alert  
day and night inside the harbor and out-  
side the harbor at night.

Now that the Almirante Oquendo and  
the Vizcaya are lying in the harbor the  
Spaniards exultingly declare that the  
city is safe; and it is given out officially  
in the newspapers that the new arrival  
is of the same size, armament and com-  
plement as the Vizcaya.

MADRID PRESS.

Government Called Upon to Demand Con-  
sul General Lee's Recall.

Madrid, March 7.—For several days  
the newspapers have been violently at-  
tacking Consul General Fitzhugh Lee.

The Impartial, after remarking that  
"An American newspaper has insinuat-  
ed that General Lee is a member of a  
syndicate desiring to purchase Cuba,"  
says: "His ill-will toward Spain is so  
marked that even American newspapers  
inimical to Spain are remarking it,"  
and calls upon the government to de-  
mand the replacing of Consul General  
Lee, "who, instead of tightening the  
bonds of friendship between Spain and  
the United States, daily renders the situ-  
ation more threatening." It adds that  
the next session of the cortes will "con-  
sider Consul General Lee's conduct."

Other papers accuse General Lee of  
being "better disposed toward the Cu-  
ban insurgents than toward the colonial  
government."

Senator Proctor Indignant.  
Havana, March 7.—Senator Proctor  
is likely to make a speech in the senate  
on his return that will have great  
weight in determining the future policy  
of the United States. He is much af-  
fected by the suffering that he found  
in Matanzas, and highly indignant at  
what he calls the "inhumanity of the  
course pursued."

During a visit to Artemisa, this pro-  
vince, he saw thousands of recon-  
tractees who refused to beg, though  
starving. He saw thousands of acres of  
the best tobacco and banana lands in  
the world reduced to waste, with treas-  
ures and garrisons at every village and  
cross road. His driver, pointing to the  
mountains 15 miles away, said: "There  
are plenty of insurgent camps there  
that the Spanish have never dis-  
covered."

Arresting Newspaper Correspondents.

Havana, March 7.—In addition to  
Henri Laine, the American correspond-  
ent, Vicente Pardo Suarez, editor of La  
Republica, and 11 others have been ar-  
rested, making 13 in all. It is officially  
stated from American sources that two  
or more American correspondents will  
be required to return to the United  
States next Wednesday. The prisoners  
are charged with conspiracy. In all, 18  
are implicated. Eleven, it is said, will  
be sent out of the country and seven to  
the Isle of Pines.

Mounted Police Guarding Both Routes.  
Schooner Whitlaw's Exciting Trip.  
\$1,000 Nugget Found in Eldorado  
Creek—Over 900 People Leave  
Seattle For the Klondike.

Juneau, Alaska, March 1, via Seattle,  
March 7.—Further confirmation of the  
Canadian mounted police occupying the  
White and Chilkoot passes was brought  
here today by James D. Esary. He  
says:

"Captain of the mounted police is at  
the summit of White pass with a force  
of 18 men, collecting duty, and a lieuten-  
ant, whose name did not transpire,  
with 18 men, was at Chilkoot pass do-  
ing the same thing.

"The White pass camp of the mounted  
police is within 12 miles of Skagway,  
and the Chilkoot camp is within 18  
miles of Dyea."

The following letter shows that the  
rights of ownership are exercised at  
Linderman definitely by Collector of  
Customs Godson.

BENNETT, B. C., Feb. 24.

Willis Thorpe, Skagway, Alaska:  
Sir—I have the honor to request you  
will present yourself at Bennett, B. C.,  
within the next few days with all invoices  
of goods and meat now in the province of  
British Columbia at Lake Bennett. I  
found a notice of sale of your goods on the  
trail between Lakes Bennett and Linder-  
man and have forbidden your men in  
charge to dispose of a single pound until  
the duty was paid. Please give this your  
earliest attention. I have the honor to be,  
sir, your obedient servant. J. GODSON,  
Collector of Customs, Lake Bennett.

**EXCITING TRIP.**

Schooner Whitlaw from San Francisco  
Runs Aground Near Juneau.

Seattle, Wash., March 7.—From a  
letter received from Juneau, Alaska, it  
is learned that the schooner Whitlaw,  
which ran ashore four miles from Ju-  
neau, had an exciting trip nearly all the  
way from San Francisco. Off the Ore-  
gon coast she weathered one of the  
worst gales of the season. Captain Lock-  
er abandoned the outside course and  
put into Port Angella. Taking on fresh  
water and meat, the boat proceeded  
northward.

Monday, Feb. 28, in Wrangle nar-  
rows, she ran on the rocks, scraping the  
planks off.

When she struck the sandbar on  
which she now lies near Juneau the  
Whitlaw was left in shallow water and  
creaked at an angle of about 30 degrees.  
She is likely to go off the beach to-  
morrow when the waters reach high tide in  
the channel.

Steamer Farallon has arrived here  
from Skagway, Alaska. Among her  
passengers were Thomas Graham of On-  
tario and Thomas Elliot of Monroe,  
Wash. They left Dawson Feb. 1. They  
say that but a few more will attempt  
the trip out overland this winter. Their  
trip out was accompanied by severe  
storms. Everything was quiet at Daw-  
son when they left.

A large nugget, worth over \$1,000,  
has been found on one of Alexander Mc-  
Donald's claims on Eldorado creek.

Over 900 people left yesterday for  
Alaska on steamers Valencia and Queen.  
The Valencia, bound for Copper river,  
carried 600; the Queen, bound for south-  
eastern Alaska, carried 318.

At Tacoma and other Sound points,  
the Queen's list will be increased to 600.

**SENATOR MILLS.**

He Publishes a Letter Withdrawing as a  
Candidate For Re-Election.

Honolulu, March 7.—The Post today  
printed a letter from United States Sen-  
ator Mills, in which he formally with-  
draws from the race for re-election,  
which leaves the field to Governor C. A.  
Culbertson. In his letter Mr. Mills gives  
as the principal reason for his with-  
drawal the recent action of the state ex-  
ecutive committee, which made a string-  
ent test for all persons desiring to par-  
ticipate in Democratic primaries and  
conventions.

**Charged With Embezzlement.**

Chicago, March 7.—Joseph Bernlak,  
formerly manager of the United States  
Guitar and Zither Company of Balti-  
more, was arrested in this city yester-  
day and will be taken to Baltimore to  
answer the charge of embezzling several  
thousand dollars from his firm. Mary  
Westerham, formerly Bernlak's sten-  
ographer, was arrested with him as an  
accessory.

**Killed in a Duel.**

Rome, March 7.—Signor Felice Carlo  
Cavalotti, poet, dramatist, publicist and  
the well known radical member of the  
chamber of deputies for Corte-Olona,  
was killed here in a duel with swords  
with Signor Macola, member of the  
chamber of deputies and editor of The  
Gazzetta di Venes.

**Did Not Suicide.**

Ishpeming, Mich., March 7.—The re-  
port that John F. Armstrong, a promi-  
nent mining man of this city, com-  
mitted suicide on March 4, is untrue.  
Mr. Armstrong was killed by accident  
in one of his mines.

**Hugh J. Jewett Dead.**

New York, March 7.—Hugh J. Jew-  
ett, the famous railroad financier, and  
for many years receiver and president  
of the Erie, died yesterday at the Hotel  
Bonair, Augusta, Ga.

**Refuses to Fight Esterhazy.**

Paris, March 7.—Colonel Picquart re-  
fuses to answer Comte Esterhazy's chal-  
lenge to a duel for causes growing out  
of the Dreyfus and Zola trials.

**LOST PART OF HIS BRAIN.**

Leo Seigfried Survives a Delicate Surgical  
Operation.

Kansas City, March 7.—The skill of  
modern surgery was demonstrated in  
the case of Leo Seigfried, who is in the  
Missouri Pacific hospital here. A fort-  
night ago his skull was crushed while  
he was acting as brakeman on a Mis-  
souri Pacific train. After he was re-  
moved to the Missouri Pacific hospital  
it was thought he could live only a few  
hours. Drs. Hammill and King of the  
hospital staff, began operating on him  
the morning after the accident. A lit-  
tle more than six square inches of the  
skull were removed and several ounces  
of the brain tissue taken out.

The patient had naturally a rugged  
physique, and his great vitality came to  
his aid. He is able to talk and, the  
nurses say, will soon be out. The effect  
of removing the brain tissue is shown in  
Seigfried's disjointed speech. He for-  
gets many words, phrases and names,  
but not locations. The sequence of  
thought with him seems to have been  
broken as regards every event after the  
accident. Everything before that time  
he remembers distinctly.

**STRUCK IT RICH.**

Illinois Boy Cleans Up \$30,000 in Gold  
in Two Months.

Chihuahua, Mex., March 7.—Thomas  
L. Malsert, a young man who passed  
through here four months ago on his  
way from Illinois to the Yaqui goldfields,  
has returned to Matamoros, west of here,  
for supplies. He reports that he has  
been panning gold on the Paphogochic  
river during the past two months and  
that he has cleaned up over \$30,000 in  
that short time. He claims to be the  
first white man to prospect for gold on  
the upper Paphogochic river, and he  
states that the placer mines there are  
equal in richness to the Klondike. The  
Paphogochic river is an eastern tribu-  
tary of the Yaqui river. The report of  
this young prospector's success has  
caused a big stir in this section.

**FORTY YEARS IN PRISON.**

Dick Nerney, a Notorious Thief, to Be  
Given His Freedom.

Louisville, March 7.—Dick Nerney,  
who has served 40 of his 60 years of life  
in the penitentiary, and is known by the  
police all over the country, will be a free  
man in a few days. He is suffering  
with consumption and cannot live much  
longer. Nerney was only recently re-  
leased from the Ohio penitentiary, and  
found waiting him at the door a Louis-  
ville detective. He was brought here  
and charged with stealing an overcoat.  
The indictment against him has been  
filed away in the criminal court, and he  
will be given his freedom.

**DECLARED INSANE.**

Mrs. Demorest, Who Cut Her Boy's  
Throat, Taken to an Asylum.

Grove City, O., March 7.—Mrs. Olga  
Demorest, who killed her little son last  
Friday by cutting his throat with a razor,  
has been declared insane and taken to  
the Columbus Hospital for the Insane.  
Dr. H. W. Whitaker and Dr. Collison,  
who examined the woman, declared that  
there was not the slightest doubt in re-  
gard to her insanity.

The two surviving children are now  
practically orphans, as the father has  
consumption and cannot live long.

**DOUBLE TRAGEDY.**

Irene Breider Killed by Chas. W. Woods,  
Who Fatally Wounded Himself.

Ottawa, Ill., March 7.—Charles W.  
Woods, of Chicago, shot and killed Irene  
Breider and then fatally wounded him-  
self here Saturday, in the woman's  
apartment. The assailant died an hour  
later at the Reymann Hospital. Jealousy  
probably caused the tragedy, as a man  
from La Salle, also a friend of the  
woman, had been here, and the three  
were together some time before the  
shooting.

**NEGRO LYNCHED.**

Had Ravished a Colored Woman—Re-  
cently Acquitted of a Similar Offense.

Lake Cormorant, Miss., March 7.—A  
negro by the name of Will Jones was  
lynched last night by an unknown mob  
for outraging a colored woman yester-  
day. The mob met the officers while  
transferring the negro for safekeeping  
and taking him from them dragged him  
to a telegraph pole nearby where his  
body was left swinging in the moon-  
light. The negro was tried a week ago  
for a similar offense, but the evidence  
was not sufficient to convict him.

**Prominent Chicagoans Indicted.**

Chicago, March 7.—The grand jury  
Saturday indicted former President  
Kraus of the civil service commission,  
President Winston of the civil service  
commission, and Mayor Washburne of  
the same body, for violating the civil  
service law. The penalty is \$1,000 fine  
or confinement in the county jail for six  
months, or both, at the discretion of the  
court.

**Defaulter Arrested.**

Exter, N. H., March 7.—Town Treas-  
urer Edward S. Thing was arrested in  
Boston Saturday, charged with the em-  
bezzlement of town funds, and will be  
given 10 days of grace in which to  
make good the deficiency without legal  
proceedings. The default is thought  
to be \$14,000, and it is believed his  
friends will reimburse the town.

**Killed a Young Woman.**

Cedar Rapids, Ia., March 7.—While  
out walking last night and apparently  
without cause, Alfred S. Healy, about  
25 years old, shot and instantly killed  
Miss Libbie Brauchand, 15 years old,  
and then sent a bullet through his own  
head. He will probably die.

warmer.

**ARRESTED IN CHICAGO**

Well Known Indiana Traveling Man  
Charged With Embezzlement.

**AN OLD REVOLUTIONARY RELIC**

Aetna Fire Insurance Company Will Pay  
the State \$13,390 Back Taxes—Wom-  
an and Children Missing—Perhaps  
Fatally Injured—General Rous-  
seau's Sister Living in Want.

Indianapolis, March 7.—W. H. Kelly  
of this city, Indiana salesman for J. V.  
Farwell & Co., of Chicago, was arrested  
in Chicago as he was entering the store  
on a charge of embezzlement, preferred  
against him by a man named Block,  
proprietor of the Palace hotel at Spring-  
field, Ill., for whom Kelly formerly  
worked. The sum is put at \$4,000. Mr.  
Kelly was taken to Springfield to an-  
swer the charge.

Mr. Kelly has been a resident of Indi-  
anapolis for 18 months. He is one of the  
most popular traveling men in the State  
and is known from one end of Indiana  
to the other. His sales last year for the  
house exceeded \$100,000, and he is re-  
garded as one of the highest-priced  
salesmen in the State. When the news  
of the arrest reached the city those who  
knew Kelly refused to believe that he  
was in any way guilty of the charge and  
are awaiting the unravelling of the dif-  
ficulty.

Mrs. Kelly has gone to Springfield.  
Before leaving Mrs. Kelly said she was  
well acquainted with the whole matter,  
and that Block was trying to make her  
husband pay for money squandered by  
Block's sons.

**WILL PAY THE AMOUNT.**

Aetna Fire Insurance Company Will Pay  
\$13,390 Back Taxes.

Indianapolis, March 7.—T. E. Galli-  
ger, agent of the Aetna Fire Insurance  
company informs the state that the com-  
pany will pay the \$13,390, which sum  
was fixed by a committee of experts  
who examined the books of the com-  
pany for 20 years past as the amount  
the company owed on account of un-  
paid taxes and license fees. Of this  
sum a total of \$1,840 will be paid to H.  
H. Klayser, who informed the state that  
the company was not paying the tax on  
its full business. According to the  
agreement with Klayser by the state he  
was to be paid 25 per cent on the first  
\$2,000 recovered, 15 per cent on the  
succeeding \$3,000 and 10 per cent on all  
over \$5,000. The net amount which the  
state will receive will thus be \$12,114.

**MAJOR DOXEY.**

He Will Return to His Home Soon—Dis-  
posing of Business Interests.

Anderson, Ind., March 7.—Major C. T.  
Doxey, now at the Hotel Palms, Miami,  
Fla., has ordered his home in this city  
put in readiness for the homecoming.  
He has been in very ill health for some  
time, but there has been some improve-  
ment since he went to Florida. It is  
thought that he will do well in return-  
ing to Anderson, where he will have a  
host of friends around him all of the  
time. He is withdrawing from all en-  
terprises as rapidly as it is possible and  
shaping his affairs for the worst. Mrs.  
Doxey has attended her husband in his  
travels. She is in very good health.

in Gold or Silver.

Greensburg, Ind., March 7.—John B.  
Buck, residing near here, exhibits an  
heirloom of his family, descended from  
revolutionary days. It is a continental  
bill declaring that "This bill entitles the  
bearer to receive 20 Spanish milled dol-  
lars of the value and interest of gold or  
silver, according to a resolution of con-  
gress, passed Sept. 26, 1778." The bill  
measures 2 1/2 by 4 1/2 inches; is printed  
on heavy linen paper, with black ink,  
and is in excellent preservation.

A Young Man Accidentally Hangs Him-  
self Near Treaty, Ind.

Treaty, Ind., March 7.—Lee English,  
16 years old, son of a farmer near here,  
accidentally hanged himself. He and his  
sister were alone, the family being  
away from home. The young man,  
thinking to play a joke on his sister,  
threw a rope over a rafter in the kitchen,  
climbed upon a chair and placed the  
rope around his neck. He slipped from  
the chair and the rope broke his neck.

**Murder in First Degree.**

Columbus, Ind., March 7.—William  
Knight, whose wife was killed by a gun-  
shot wound Feb. 23, was late Saturday,  
indicted by the grand jury of Bartholomew  
county for murder in the first de-  
gree. The coroner returned a verdict of  
"accidentally shot." The indictment  
has caused much comment, following  
the verdict of Coroner Coffee.

**She Got \$4,000 Damages.**

Tipton, Ind., March 7.—The jury in  
the case of Mrs. Dr. Newcomer against  
the Tipton Light, Heat and Power com-  
pany for \$10,000 damages for injuries to  
the lady and her elegant residence, re-  
turned a verdict in the Miami county  
circuit court Saturday for \$4,000.

**Died in Prison.**

Winchester, Ind., March 7.—Jacob  
Price, who was sent to the Northern  
prison from this county for burglary, to  
serve two years, and transferred to the  
reformatory April 12, is dead of con-  
sumption. His sentence would have  
expired March 24.

**Perhaps Fatally Injured.**

Washington, Ind., March 7.—A south-  
bound Evansville and Indianapolis pas-  
senger train was wrecked four miles  
south of this city Saturday afternoon.  
Brakeman Holmes, of Evansville, was  
brakemen fatally injured.

**Memorial Services For the Maine's Dead.**

March 6 City, March 7.—The mem-  
orial service last night at the Methodist  
Episcopal church in honor of the Maine's  
dead, was attended by the American  
minister and all prominent Americans,  
the authorities and a military band  
which rendered suitable selections.

### A REDUCTION ALL ALONG THE LINE.

The success that we have met with by reducing the price of our cabinet photographs to one dollar per dozen, has determined us to continue for thirty or sixty days longer, making cabinets on glossy paper equal in style, finish and durability to those made by other photographers at a much higher price.

We have also determined to make the platinum or dead finish cabinet photos (by some called carbonettes) at \$2.00 to \$2.50 per dozen and guaranteed them to be equal to any made in Seymour at \$3.50 to \$4.00 per dozen.

Don't be deceived by the cry of cheap materials and work, for we all use the same kind of printing out paper, and tone in the same kind of gold and artist platinum baths. Wash our prints in the same kind of water and card and burnish them in the same way. We desire to call attention to our new velvet glass cabinets at \$1.50 per dozen that by many are preferred to the higher priced platinum. We invite you to call and examine our work and then if you desire to pay higher prices for no better work, it is your privilege to do so.

A Fatal Accident at the B. & O. S. W. Depot Last Night.

Between eight and nine o'clock yesterday evening Edward Aufdenberger and some companions at the B. & O. S. W. depot attempted to board a west bound freight as it pulled out and ride down to Walnut street, where they would get off. When young Aufdenberger attempted to catch the handle of a coal car with both hands he missed with his right hand but his left hand caught and he was thrown between the platform and track. His legs were both cut off under the wheels and badly mangled. He was taken to Dr. Casey's office where the best attention possible was given him to relieve his intense suffering. He died about midnight. The unfortunate young man was 18 years old and a son of William Aufdenberger, who lives on the Dickinson place just west of town. Edward was regarded as a young man of fine promise and was held in high esteem by his host of young friends and companions. The parents have the sincere sympathy of the entire community in their sad bereavement.

The funeral exercises will be held Tuesday afternoon at the residence just west of town at 1 o'clock and at the German Lutheran church at 2 o'clock.

## RECALL OF LEE

Asked By the Spanish Government Through General Woodford.

REQUEST PROMPTLY REFUSED.

The Consul General Has Performed His Duties Satisfactorily.

DONS ALSO OPPOSED TO WAR VESSELS CARRYING RELIEF.

Washington Government Informs the Madrid Authorities That It Will Not Countermand Its Orders, As Relief Vessels Are Not Fighting Ships—Warlike Measures Being Discussed in Havana—Madrid Press Very Angry About Lee—Senator Proctor Indignant at What He Has Seen in Cuba.

Madrid, March 7.—Senator Gullon, Spanish minister of foreign affairs, recently intimated to United States Minister Woodford that the Spanish government desired the recall from Havana of Consul General Lee and that the American warships which have been designated to convey supplies to Cuba for the relief of the sufferers there should be replaced by merchant vessels in order

to deprive the assistance sent to the reconcentrated of an official character. Minister Woodford cabled the requests to the Washington government which replied refusing to recall General Lee in the present circumstances or to countermand the orders for the dispatch of the war vessels, making the representation that the relief vessels are not fighting ships.

LEE SATISFACTORY.

President Will Not Consider His Recall.

Supplies by Navy Vessel.

Washington, March 7.—The State Department last night authorized the following statement:

"The President will not consider the recall of General Lee. He has borne himself throughout this crisis with judgment, fidelity and courage, to the President's entire satisfaction.

"As to the supplies for the relief of the Cuban people, all arrangements have been made to carry a consignment this week from Key West, by one of the naval vessels, whichever may be best adapted and most available for the purpose, to Matanzas and Sagua."

Although the officials here are non-committal on the subject, it is believed that the request for General Lee's recall was made at least a day or two ago, and that the Spanish government, after receiving the reply of the State Department, has not insisted either upon Lee's recall or upon its contention that the relief supplies should not be sent to Cuba in naval vessels.

A city business man, who gets to work at nine in the morning, takes an hour for lunch and leaves for home at four or five in the afternoon, little understands the hardships of the life of the farmer, who starts at break of day and frequently works on into the night by lantern light.

A man to endure the hardships of a farmer's life, must be robust physically at the outset, and if he would live a long life, always keep a watchful eye upon his health. He should remember that it is the apparently trifling disorders that eventually make the big diseases. It does not do for a hard working man to neglect bilious attacks or spells of indigestion. If he does, he will soon find himself flat on his back with malaria or crippled with rheumatism. Dr. Pierce's Golden Medical Discovery is the best of all medicines for hard working men and women. It makes the appetite keen and hearty, the digestion perfect, the liver active, the blood pure and rich with the life-giving elements of the food, and the nerves strong and steady. It builds firm muscles and solid flesh. It is the greatest of all blood-makers and purifiers. It cures malaria troubles and rheumatism. It is an unfailing cure for biliousness and indigestion. An honest dealer will not try to substitute some inferior preparation for the sake of a little additional profit.

"I was a sufferer for four years with malaria fever and chills," writes Robert Williams, of Kiowa, Barber Co., Kan. "Four bottles of Dr. Pierce's Golden Medical Discovery cured me and I now weigh 150 pounds instead of 130, my old weight."

Costiveness, constipation and torpidity of the liver are surely, speedily and permanently cured by Dr. Pierce's Pleasant Pellets. They are tiny, sugar-coated granules. One little "Pellet" is a gentle laxative, and two a mild cathartic. They never gripe. They stimulate and strengthen the jaded organs until a regular habit is formed and may then be discontinued without a return of the trouble. They stimulate, invigorate and regulate the stomach, liver and bowels. Medicine stores sell them, and have no other pills that are "just as good."

MINISTER WOODFORD.

The request for General Lee's recall came through Minister Woodford, a somewhat unusual procedure, as the common mode of requesting the withdrawal of a minister or a consul is through the representative of the government making the request, which in this case is Senator Du Bose, the Spanish charge d'affaires. Mr. Du Bose had received no instructions on the subject, and was in complete ignorance of the demands made through Minister Woodford. The other suggestion of the Spanish government—that relief supplies should not be sent in war vessels—did not come through Minister Woodford, as the Madrid dispatches state, but was presented by Senator Du Bose to the state department last Friday.

The news concerning General Lee aroused the deepest interest, and no little excitement, throughout Washington. In hotel corridors, at the clubs, and in all public places it was the absorbing topic, and since the Maine disaster was such widespread popular interest evinced in the Spanish situation.

American Naval Officers and Sailors Discussing the Situation.

Havana via Key West, March 7.—As the conviction becomes settled that the court of inquiry will decide that there was a mine explosion under the Maine, discussion among American naval officers and civilians here is prevalent as to the warlike measures which it is believed the United States government will adopt in case the question of the payment of indemnity by Spain is overruled.

A majority believe that American troops will be landed at some point east of Havana and the insurgents communicated with, that the Spanish soldiery will be defeated or captured in detail, and that in the meantime a fleet of United States vessels will blockade, if not bombard, Havana.

No one seems to doubt that the reduction of this city would be comparatively easy. Four 12-inch guns—two west and two east of the city—are the only ones that are considered dangerous. These are not likely to be well served, while their emplacements are not modern.

That some Spaniards are of opinion that an attack on Havana will be made is believed to be shown by the abnormal activity displayed on board the Vizcaya.

There is the best naval authority for the statement that the Vizcaya is in a constant state of readiness for emergencies and that picketboats are on the alert day and night inside the harbor and outside the harbor at night.

Now that the Almirante Oquendo and the Vizcaya are lying in the harbor the Spaniards are declaring that the city is safe, and it is given out officially in the newspapers that the new arrival is of the same size, armament and complement as the Vizcaya.

MADRID PRESS.

Government Called Upon to Demand Consul General Lee's Recall.

Madrid, March 7.—For several days the newspapers have been violently attacking Consul General Fitzhugh Lee. The Imparcial, after remarking that "An American newspaper has insinuated that General Lee is a member of a syndicate desiring to purchase Cuba," says: "His ill-will toward Spain is so marked that even American newspapers inimical to Spain are remarking it," and calls upon the government to demand the replacing of Consul General Lee, "who, instead of tightening the bonds of friendship between Spain and the United States, daily renders the situation more threatening." It adds that the next session of the cortes will "consider Consul General Lee's conduct."

Other papers accuse General Lee of being "better disposed toward the Cuban insurgents than toward the colonial government."

Senator Proctor Indignant.

Havana, March 7.—Senator Proctor is likely to make a speech in the senate on his return that will have great weight in determining the future policy of the United States. He is much affected by the suffering that he found in Matanzas, and highly indignant at what he calls the "inhumanity of the course pursued."

During a visit to Artemisa, this province, he saw thousands of reconcentrated who refused to beg, though starving. He saw thousands of acres of the best tobacco and banana lands in the world reduced to waste, with trochae and garriques at every village and cross road. His driver, pointing to the mountains 15 miles away, said: "There are plenty of insurgent camps there that the Spanish have never discovered."

Arresting Newspaper Correspondents.

Havana, March 7.—In addition to Henri Laine, the American correspondent, Vicente Pardo Suarez, editor of La Republica, and 11 others have been arrested, making 13 in all. It is officially stated from American sources that two or more American correspondents will be required to return to the United States next Wednesday. The prisoners are charged with conspiracy. In all, 18 are implicated. Eleven, it is said, will be sent out of the country and seven to the Isle of Pines.

## WHITE AND CHILKOOT PASSES

Mounted Police Guarding Both Routes. Schooner Whitelaw's Exciting Trip. \$1,000 Nugget Found in Eldorado Creek—Over 900 People Leave Seattle For the Klondike.

Juneau, Alaska, March 7, via Seattle, March 7.—Further confirmation of the Canadian mounted police occupying the White and Chilkoot passes was brought here today by James D. Esary. He says: "Captain of the mounted police is at the summit of White pass with a force of 18 men, collecting duty, and a lieutenant, whose name did not transpire, with 18 men, was at Chilkoot pass doing the same thing.

"The White pass camp of the mounted police is within 12 miles of Skagway, and the Chilkoot camp is within 18 miles of Dyea."

The following letter shows that the rights of ownership are exercised at Linderman deftly by Collector of Customs Godson.

WILLIS THORPE, Skagway, Alaska: Sir—I have the honor to request you will present yourself at Bennett, B. C., within the next few days with all invoices of goods and meat now in the province of British Columbia at Lake Bennett. I found a notice of sale of your goods on the trail between Lakes Bennett and Linderman and have forbidden your men in charge to dispose of a single pound until the duty was paid. Please give this your earliest attention. I have the honor to be, sir, your obedient servant. J. Godson, Collector of Customs, Lake Bennett.

## EXCITING TRIP.

Schooner Whitelaw from San Francisco Runs Aground Near Juneau.

Seattle, Wash., March 7.—From a letter received from Juneau, Alaska, it is learned that the schooner Whitelaw, which ran ashore four miles from Juneau, had an exciting trip nearly all the way from San Francisco. Off the Oregon coast she weathered one of the worst gales of the season. Captain Lockyer abandoned the outside course and put into Port Angella. Taking on fresh water and meat, the boat proceeded northward.

Monday, Feb. 28, in Wrangle narrows, she ran on the rocks, scraping the planks off.

When she struck the sandbar on which she now lies near Juneau the Whitelaw was left in shallow water and creased at an angle of about 30 degrees. She is likely to go off the beach tomorrow when the waters reach high tide in the channel.

Steamer Farallon has arrived here from Skagway, Alaska. Among her passengers were Thomas Graham of Ontario and Thomas Elliot of Monroe, Wash. They left Dawson Feb. 1. They say that but a few more will attempt the trip out overland this winter. Their trip out was accompanied by severe storms. Everything was quiet at Dawson when they left.

A large nugget, worth over \$1,000, has been found on one of Alexander McDonald's claims on Eldorado creek.

Over 900 people left here yesterday for Alaska on steamers Valencia and Queen. The Valencia, bound for Copper River, carried 600; the Queen, bound for southeastern Alaska, carried 318.

At Tacoma and other Sound points, the Queen's list will be increased to 600.

## SENATOR MILLS.

He Publishes a Letter Withdrawing as a Candidate For Re-Election.

Honolulu, March 7.—The Post today printed a letter from United States Senator Mills, in which he formally withdraws from the race for re-election, which leaves the field to Governor C. A. Culberson. In his letter Mr. Mills gives as the principal reason for his withdrawal the recent action of the state executive committee, which made a stringent test for all persons desiring to participate in Democratic primaries and conventions.

Charged With Embezzlement.

Chicago, March 7.—Joseph Bernalk, formerly manager of the United States Guitar and Zither Company of Baltimore, was arrested in this city yesterday and will be taken to Baltimore to answer the charge of embezzling several thousand dollars from his firm. Mary Westerham, formerly Bernalk's stenographer, was arrested with him as an accessory.

Killed In a Duel.

Rome, March 7.—Signor Felice Carlo Cavallotti, poet, dramatist, publicist and the well known radical member of the chamber of deputies for Corte-Olona, was killed here in a duel with swords with Signor Macola, member of the chamber of deputies and editor of The Gazzetta di Venes.

Did Not Suicide.

Ishpeming, Mich., March 7.—The report that John F. Armstrong, a prominent mining man of this city, committed suicide on March 4, is untrue. Mr. Armstrong was killed by accident in one of his mines.

Hugh J. Jewett Dead.

New York, March 7.—Hugh J. Jewett, the famous railroad financier, and for many years receiver and president of the Erie, died yesterday at the Hotel Bonair, Augusta, Ga.

Refuses to Fight Esterhazy.

Paris, March 7.—Colonel Picquart refuses to answer Count Esterhazy's challenge to a duel for counts growing out of the Dreyfus and Zola trials.

## LOST PART OF HIS BRAIN.

Leo Seigfried Survives a Delicate Surgical Operation.

Kansas City, March 7.—The skill of modern surgery was demonstrated in the case of Leo Seigfried, who is in the Missouri Pacific hospital here. A fortnight ago his skull was crushed when he was acting as brakeman on a Missouri Pacific train. After he was removed to the Missouri Pacific hospital it was thought he could live only a few hours. Drs. Hammill and King of the hospital staff, began operating on him the morning after the accident. A little more than six square inches of the skull were removed and several ounces of the brain tissue taken out.

The patient had naturally a rugged physique, and his great vitality came to his aid. He is able to talk and, the nurses say, will soon be out. The effect of removing the brain tissue is shown in Seigfried's disjointed speech. He forgets many words, phrases and names, but not locations. The sequence of thought with him seems to have been broken as regards every event after the accident. Everything before that time he remembers distinctly.

STRUCK IT RICH.

Illinois Boy Cleans Up \$30,000 In Gold In Two Months.

Chihuahua, Mex., March 7.—Thomas L. Malsert, a young man who passed through here four months ago on his way from Illinois to the Yaqui goldfields, has returned to Matamoros, west of here, for supplies. He reports that he has been panning gold on the Paphogioche river during the past two months and that he has cleaned up over \$30,000 in that short time. He claims to be the first white man to prospect for gold on the upper Paphogioche river, and he states that the placer mines there are equal in richness to the Klondike. The Paphogioche river is an eastern tributary of the Yaqui river. The report of this young prospector's success has caused a big stir in this section.

FORTY YEARS IN PRISON.

Dick Nerney, a Notorious Thief, to Be Given His Freedom.

Louisville, March 7.—Dick Nerney, who has served 40 of his 60 years of life in the penitentiary, and is known by the police all over the country, will be a free man in a few days. He is suffering with consumption and cannot live much longer. Nerney was only recently released from the Ohio penitentiary, and found waiting him at the door a Louisville detective. He was brought here and charged with stealing an overcoat. The indictment against him has been filed away in the criminal court, and he will be given his freedom.

DECLARED INSANE.

Mrs. Demorest, Who Cut Her Boy's Throat, Taken to an Asylum.

Grove City, O., March 7.—Mrs. Olga Demorest, who killed her little son last Friday by cutting his throat with a razor, has been declared insane and taken to the Columbus Hospital for the Insane. Dr. H. W. Whittaker and Dr. Collison, who examined the woman, declared that there was not the slightest doubt in regard to her insanity.

The two surviving children are now practically orphans, as the father has consumption and cannot live long.

DOUBLE TRAGEDY.

Irene Brieder Killed by Chas. W. Woods, Who Fatally Wounded Himself.

Ottawa, Ill., March 7.—Charles W. Woods, of Chicago, shot and killed Irene Brieder and then fatally wounded himself here Saturday, in the woman's apartments. The assailant died an hour later at the Reymann Hospital. Jealousy probably caused the tragedy, as a man from La Salle, also a friend of the woman, had been here, and the three were together some time before the shooting.

NEGRO LYNCHED.

Had Ravished a Colored Woman—Recently Acquitted of a Similar Offense.

Lake Cormorant, Miss., March 7.—A negro by the name of Will Jones was lynched last night by an unknown mob for outraging a colored woman yesterday. The mob met the officers while transferring the negro for safekeeping and taking him from them dragged him to a telegraph pole nearby where his body was left swinging in the moonlight. The negro was tried a week ago for a similar offense, but the evidence was not sufficient to convict him.

Prominent Chicagoans Indicted.

Chicago, March 7.—The grand jury Saturday indicted former President Kraus of the civil service commission, President Winston of the civil service commission, and Mayor Washburne of the same body, for violating the civil service law. The penalty is \$1,000 fine or confinement in the county jail for six months, or both, at the discretion of the court.

Defaulter Arrested.

Exter, N. H., March 7.—Town Treasurer Edward S. Thing was arrested in Boston Saturday, charged with the embezzlement of town funds, and will be given 10 days of grace in which to make good the deficiency without legal proceedings. The defalcation is thought to be \$14,000, and it is believed his friends will reimburse the town.

Killed a Young Woman.

Cedar Rapids, Ia., March 7.—While out walking last night and apparently without cause, Alford S. Healy, about 25 years old, shot and instantly killed Miss Libbie Brauchand, 15 years old, and then sent a bullet through his own head. He will probably die.

## ARRESTED IN CHICAGO

Well Known Indiana Traveling Man Charged With Embezzlement.

## AN OLD REVOLUTIONARY RELIC

Actna Fire Insurance Company Will Pay the State \$13,390 Back Taxes—Woman and Children Missing—Perhaps Fatally Injured—General Ross' Sister Living In Want.

Indianapolis, March 7.—W. H. Kelly of this city, Indiana salesman for J. V. Farwell & Co., of Chicago, was arrested in Chicago as he was entering the store on a charge of embezzlement, preferred against him by a man named Block, proprietor of the Palace hotel at Springfield, Ill., for whom Kelly formerly worked. The sum is put at \$4,000. Mr. Kelly was taken to Springfield to answer the charge.

Mr. Kelly has been a resident of Indianapolis for 18 months. He is one of the most popular traveling men in the State and is known from one end of Indiana to the other. His sales last year for the house exceeded \$100,000, and he is regarded as one of the highest-priced salesmen in the State. When the news of the arrest reached the city those who knew Kelly refused to believe that he was in any way guilty of the charge and are awaiting the unvarnished of the difficulty.

Mrs. Kelly has gone to Springfield. Before leaving Mrs. Kelly said she was well acquainted with the whole matter, and that Block was trying to make her husband pay for money squandered by Block's sons.

WILL PAY THE AMOUNT.

Actna Fire Insurance Company Will Pay \$13,390 Back Taxes.

Indianapolis, March 7.—T. E. Gallagher, agent of the Actna Fire Insurance company informs the state that the company will pay the \$13,390, which sum was fixed by a committee of experts who examined the books of the company for 20 years past as the amount the company owed on account of unpaid taxes and license fees. Of this sum a total of \$1,840 will be paid to H. H. Klayser, who informed the state that the company was not paying the tax on its full business. According to the agreement with Klayser by the state he was to be paid 25 per cent on the first \$2,000 recovered, 15 per cent on the succeeding \$3,000 and 10 per cent on all over \$5,000. The net amount which the state will receive will thus be \$12,114.

MAJOR DOWDY.

He Will Return to His Home Soon—Disposing of Business Interests.

Anderson, Ind., March 7.—Major C. T. Dowdy, now at the Hotel Palmis, Miami, Fla., has ordered his home in this city put in readiness for the homecoming. He has been in very ill health for some time, but there has been some improvement since he went to Florida. It is thought that he will do well in returning to Anderson, where he will have a host of friends around him all of the time. He is withdrawing from all enterprises as rapidly as it is possible and shaping his affairs for the worst. Mrs. Dowdy has attended her husband in his travels. She is in very good health.

REVOLUTIONARY RELIC.

An Old Bill Issued In 1773 Redeemable In Gold or Silver.

Greensburg, Ind., March 7.—John B. Back, residing near here, exhibits an heirloom of his family, descended from revolutionary days. It is a continental bill declaring that "This bill entitles the bearer to receive 20 Spanish milled dollars of the value and interest of gold or silver, according to a resolution of congress, passed Sept. 26, 1778." The bill measures 2 1/2 by 4 1/2 inches; is printed on heavy linen paper, with black ink, and is in excellent preservation.

HIS LAST JOKE.

A Young Man Accidentally Hangs Himself Near Treaty, Ind.

Treaty, Ind., March 7.—Lee English, 16 years old, son of a farmer near here, accidentally hanged himself. He and his sister were alone, the family being away from home. The young man, thinking to play a joke on his sister, threw a rope over a rafter in the kitchen, climbed upon a chair and placed the rope around his neck. He slipped from the chair and the rope broke his neck.

MURDER IN FIRST DEGREE.

Columbus, Ind., March 7.—William Knight, whose wife was killed by a gunshot wound Feb. 23, was, late Saturday, indicted by the grand jury of Bartholomew county for murder in the first degree. The coroner returned a verdict of "accidentally shot." The indictment has caused much comment, following the verdict of Coroner Coffey.

She Got \$4,000 Damages.

Tipton, Ind., March 7.—The jury in the case of Mrs. Dr. Newcomer against the Tipton Light, Heat and Power company for \$10,000 damages for injuries to the lady and her elegant residence, returned a verdict in the Miami county circuit court Saturday for \$4,000.

WIRE WHISPERS.

Spain's floating debt was increased 13, 226,681 pesetas in February.

Deadwood (S. D.) authorities have begun a war on gamblers and concert saloons.

J. H. Perrin, superintendent of public schools at Lincoln, Ill., has mysteriously disappeared.

Isaac A. Sheppard, one of the most prominent citizens of Philadelphia, is dead, aged 71.

Fire in an old building at Pittsburg, occupied by Italians, resulted in the death of one woman and probably the fatal burning of five other persons.

A fierce street fight occurred in Texarkana, Ark., in which one man was killed outright and three others probably fatally wounded. All were barbers.

Charles Block of Pontonung, Mich., has been arrested on suspicion of having murdered his father, Henry Block, who was found dead, covered with bruises.

Among the graduates of the Texas State University at the coming June commencement will be Francis Joseph Doman, who has been totally blind since he was 10 years old. He is now aged 24.

Cingalese Children.

The Cingalese children are said to be more beautiful than those of any other race on the four continents, and some of the little girls, even of the very lowest caste, are irresistibly pretty as they run before you in the streets to beg. They cry out in the sweetest and most plaintive of voices, touching the stomach to signify hunger in a way that would be awkward and vulgar in any other being, but in them it is so winsome a sight that before you know it you sacrifice a rupee to the bad cause of encouraging them in begging—knowing quite well that all they want is a good opportunity to pick your pocket for more.—Outing.

One of the Blessings of Work.

"Oh, I guess it's a good thing I have to work so hard!" said a trooding person.

"Why?" said the other.

"I don't have so much time to think," said the first.—New York Sun.

Johnson—Man alive, you've only been wasting your talents. The play is execrable, the worst I ever saw. How could you write such rubbish? There's not an idea in it.

Brenson—That's all right. What do you want me to do—revolutionize the modern drama?—Brooklyn Eagle.

REPUBLICAN primary tomorrow. Pol's

McKINLEY has refused to recall Con-

sul General Lee and if Spain sends him

home, it will amount to a practical de-

claration of war.

If the worth of anything is proven by

result, then surely Dr. Bull's Cough

Syrup is preeminently the best cough

syrup now extant.

Whatever else may be in doubt the

Cuban situation, there is no doubt

about the patriotic response of the

American people to the situation.

The republican candidates for the

several city officers and to be voted for

at the primary tomorrow are all capa-

ble men so that an excellent ticket is

assured.

If the second year of McKinley's

term shows so marked an increase in

the general business conditions of the

country, as the first, we will have such

an era of prosperity as has never been

seen in this country.

It is the duty of every republican in

Seymour to vote at the primary to-

morrow. The primary is your oppor-

tunity to express your preference be-

tween candidates. Don't neglect to

**A REDUCTION ALL ALONG THE LINE.**

The success that we have met with by reducing the price of our cabinet photographs to one dollar per dozen, has determined us to continue for thirty or sixty days longer, making cabinets on glossy paper equal in style, finish and durability to those made by other photographers at a much higher price.

We have also determined to make the platinum or dead finish cabinet photos (by some called carbonettes) at \$2.00 to \$2.50 per dozen and guaranteed them to be equal to any made in Seymour at \$3.50 to \$4.00 per dozen.

Don't be deceived by the cry of cheap materials and work, for we all use the same kind of printing-out paper, and tone in the same kind of gold and silver-platinum baths. Wash our prints in the same kind of water and card and burnish them in the same way. We desire to call attention to our new velvet glass cabinets at \$1.50 per dozen that by many are preferred to the higher priced platinum. We invite you to call and examine our work and then if you desire to pay higher prices for no better work, it is your privilege to do so.

Between eight and nine o'clock yesterday evening Edward Aufdenberger and some companions at the B. & O. S. W. depot attempted to board a west bound freight as it pulled out and ride down to Walnut street, where they would get off. When young Aufdenberger attempted to catch the handle of a coal car with both hands he missed with his right hand but his left hand caught and he was thrown between the platform and track. His legs were both cut off under the wheels and badly mangled. He was taken to Dr. Casey's office where the best attention possible was given him to relieve his intense suffering. He died about midnight. The unfortunate young man was 18 years old and a son of William Aufdenberger, who lives on the Dickinson place just west of town. Edward was regarded as a young man of fine promise and was held in high esteem by his host of young friends and companions. The parents have the sincere sympathy of the entire community in their sad bereavement.

The funeral exercises will be held Tuesday afternoon at the residence just west of town at 1 o'clock and at the German Lutheran church at 2 o'clock.

Tired people are tired because they have exhausted their strength. The only way for them to get strong is to eat proper food.

But eating is not all. Strength comes from food after digestion. Digestion is made easy with Shaker Digestive Cordial.

People who get too tired, die. Life is strength. Food is the maker of strength. Food is not food until it is digested.

Tired, pale, thin, exhausted, sick sufferers from indigestion, can be cured by the use of Shaker Digestive Cordial. It will revive their spent energies, refresh and invigorate them, create new courage, endurance and strength, all by helping their stomachs to digest their food.

It aids nature, and this is the best of it. It gives immediate relief and, with perseverance, permanently cures.

At druggists. Trial bottle 10 cents.

Don't.

That is what Perry S. Heath, First Assistant Postmaster General says to the people. He has sent out orders to postmasters to post up in their offices the following notice:

"Don't mail your letters or valuable packages without having your own address written or printed in the left hand corner. (Give the street number and postal station in large cities.) This will insure its return to you if not delivered and will prevent its being sent and opened at the dead letter office."

It would be very easy for all to follow this advice of the Assistant Postmaster General if they would call at the REPUBLICAN office and get printed return envelopes ranging in price from \$1.50 to \$3.00 a thousand. Printed return envelopes will save lots of trouble, and when such envelopes cost so little all should avail themselves of the opportunity to get them. We can also furnish letter heads, note heads, statement and bill heads for busy business men, of various grades at reasonable prices. Call and see us and see our stock.

## NAPOLEON'S LAST WORDS.

The Dying Thoughts of the Man Whom Europe Feared.

On his deathbed Napoleon expressed his conviction that England would end like the proud republic of Venice.

With perfect composure he gave his last directions: "I desire that you will take my heart, put it in spirits of wine and carry it to Parma to my dear Marie Louise. You will tell her that I never ceased to love her and relate to her every particular respecting my death upon this miserable and dreary rock. You will tell my mother and family that the great Napoleon expired in the most deplorable state, deprived of everything, abandoned to himself and to his glory, and that he bequeathed with his dying breath to all the reigning families of Europe the horror and opprobrium of his death."

The second codicil of his will contained the direction, which was afterward complied with, "It is my wish that my ashes may repose on the banks of the Seine, in the midst of the French people, whom I love so well."

On the 5th of May, 1821, he who had for years kept all Europe in a state of feverish excitement terminated his earthly career.

After lying in state two days the body was deposited in a coffin composed first of tin lined with white satin, which, having been soldered, was inclosed in another of mahogany, a third of lead, and the whole in a fourth of mahogany secured with iron screws. After the ceremony an enormous stone was lowered over the body, resting on a stone wall so as to escape the coffin.

On the 12th of May Louis Philippe commanded that the ashes of Napoleon be conveyed to France. In his communication he said: "Henceforth France alone will possess all that remains of Napoleon. His tomb, like his fame, will belong to none but his country."

At 11 o'clock, Dec. 15, the first cannon was heard announcing that the remains of the emperor had reached French ground. Amid the vast assemblage the body was borne by 24 sentries to its last resting place in the Hotel des Invalides.

So closed the eventful career of the great Napoleon, whose memory can only perish with the records of the world.—Detroit Free Press.

## AN ANECDOTE OF LINCOLN.

He Measured Height With a Miner in a Pennsylvania Town.

In the course of an article in St. Nicholas Mary Lillian Herr relates the following characteristic anecdote of Lincoln:

Once while on his way to Washington as president the train stopped a little time in the town of Allegheny, Pa. Around the station a great crowd gathered, eager to see the new president. They shouted and cheered until Lincoln had to appear on the rear platform of his car. He bowed and smiled, but the crowd was so noisy he did not try to speak to them.

Very near to the platform stood a miner, wearing a red shirt and blue overalls and carrying a dinner pail. Like the rest, he had stopped hoping to see Mr. Lincoln. The workman was almost a giant in size and towered head and shoulders above the crowd.

No doubt he had heard that Lincoln also was very tall, and, encouraged by the friendly face, the workman suddenly waved his bare arm above his head and called out:

"Hi, there, Abe Lincoln! I'm taller than you—yes, a sight taller!"

This loud speech silenced the crowd by its boldness, and a laugh arose. But Mr. Lincoln, leaning forward with a good humored smile, said quietly:

"My man, I doubt it—in fact, I'm sure I am the taller. However, come up and let's measure."

The crowd made way and the workman climbed to the platform and stood back to back with the president elect. Each put up a hand to see whose head overtopped. Evidently Mr. Lincoln was the victor, for with a smile of satisfaction he turned and offered his hand to his beaten rival, saying cordially:

"I thought you were mistaken and I was right, but I wished to be sure and to have you satisfied. However, we are friends anyway, aren't we?"

Grasping the outstretched hand in a vigorous grip the workman replied:

"Yes, Abe Lincoln—is long as I live."

## ONE OF TWO WAYS.

The bladder was created for one purpose, namely, a receptacle for the urine, and as such it is not liable to any form of disease except by one of two ways. The first way is from imperfect action of the kidneys. The second way is from careless local treatment of other diseases.

CHIEF CAUSE.

Unhealthy urine from unhealthy kidneys is the chief cause of bladder troubles. So the work, like the bladder, was created for one purpose, and if not doctor'd too much is not liable to weakness or disease, except in rare cases. It is situated back of and very close to the bladder, therefore any pain, disease or inconvenience manifested in the kidneys, back, bladder or urinary passage is often, by mistake, attributed to female weakness or womb trouble of some sort. The error is easily made and may be as easily avoided. To find out correctly, set your urine aside for twenty-four hours; sediment or settling indicates kidney or bladder trouble. The mild and the extraordinary effect of Dr. Kilmer's Swamp Root, the great kidney and bladder remedy is soon realized. If you need any medicine you should have the best. At druggists fifty cents and one dollar. You may have a sample bottle and pamphlet, both sent free by mail, upon receipt of three cent stamp to cover cost of postage on the bottle. Mention the Republican and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietors of this paper guarantee its punctuality of this offer.
